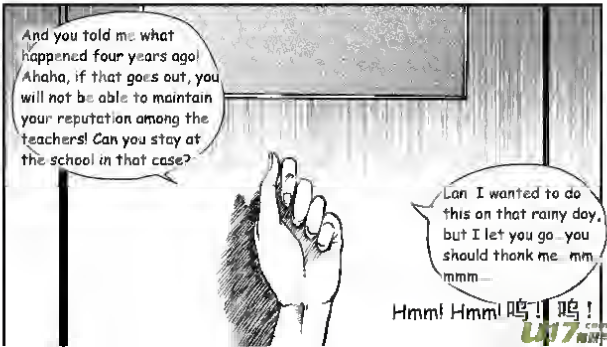
Hahaha, call as you wish! The teachers are all gone after work, let alone students!
No! No! Stop!
Shut up! Ms Wei, you don't want other people to know that your parents even spread rumours against the other applicant to get you in, right?



And you told me what happened four years ago! Ahaha, if that goes out, you will not be able to maintain your reputation among the teachers! Can you stay at the school in that case?
Lan, I wanted to do this on that rainy day, but I let you go... you should thank me... mm mmm...
